

LOTO– Week 1

Draw a picture of your room. Include your favorite things in your room. You can use letters and sounds to try and write too!

Make up a puppet show using your stuffed animals or learn how to create puppets and make a show for your family!. Record it to share with others too!

Go outside and look for signs of spring. How many signs can you find? Draw them or take pictures!

How many forks do you have in your kitchen drawer? How many spoons? How many utensils all together?

Can you remember how to write your uppercase and lowercase alphabet without looking at an example?

Click on one of the pictures above to go to an online activity, song or story. You can also choose some activities to do offline.
